This is the grandest of our "Vigilant" most distinguished living existence. "When the child was in state of collapse from cholera infection, and the doctor had left him to die, it was given Omelette. In two hours he revived and began to recover very rapidly. In a recent letter enclosing the above picture of the now dead child, the mother says that "it was raised from the dead by Omelette."

The original and only genuine Compound Oxy-Gen Treatment, that of Drs. Starkey & Pallen, is a scientific adjustment of the elements of Oxygen and Nitrogen magnetized; and the compound is so condensed and made portable that it is sent all over the world.  
It has been in use for over twenty years; thousands of patients have been treated; and over one thousand physicians have used it and recommended it—a very significant fact.  
The "Swain's" is the title of a book of 300 pages, published by Drs. Starkey & Pallen, which gives to all sufferers full information as to this remarkable curative agent and a good record of surprising cures in a wide range of chronic cases—many of them after being abandoned to the "old" treatment.

The success of Mrs. Annie M. Beam, of McKeesport, Pennsylvania, in the treatment of diarrhoea in her children will undoubtedly be of interest to many mothers. She says: "I spent several weeks in Johnstown, Pa., after the great flood, on account of husband being employed there. We had several children with us, two of whom took the diarrhoea very badly. I got some of Chamberlain's Colic, Cholera and Diarrhoea Remedy from Rev. Mr. Chapman. It cured both of them. I knew of several other cases where it was equally successful. I think it cannot be excelled and cheerfully recommend it." 25 and 50 cent bottles for sale by R. C. Hardwick.

Every man is the architect of his own fortune.
